

## **Remarks**

### **Status of the Application**

This application stands allowed. In a Notice to File Corrected Application Papers mailed February 28, 2001 (the "Notice"), the Office required correction of Figures 3, 4, 8, and 26. Figures 3, 4, and 8 were identified as being deficient because the character of the lines, numbers, and letters were poor. Figure 26 was identified as being deficient because numbers, letters, or reference characters were illegibly handwritten.

Replacement sheets for Figures 3, 4, 8, and 26 (which also include Figures 5, 25, and 27) are included herewith. The replacement sheets do not effect any substantial changes to the figures and do not add new matter. Instead, the replacement sheets are intended to correct the deficiencies identified in the Notice.

### **Conclusion**

It is believed that this amendment, and the replacement sheets included herewith, place the application in condition for issue. This paper constitutes a request for any needed extension of time and an authorization to charge all fees therefore to deposit account No. 19-5117, if not otherwise specifically requested. The undersigned hereby authorizes the charge of any fees created by the filing of this document or any deficiency of fees submitted herewith to be charged to deposit account No. 19-5117.

Respectfully submitted,
